Date: 09<sup>th</sup> July 2017

**To Whom it may Concern**

This is to certify that Mr. Mohamed ElBasyouni ElSayed AboNour has been working as one of **Top Business** staff from 01-09-2011 to 31-08-2014, permanent full-time with 40 hours per week basis, with a salary of (7118.59) EGP.

During this period Mr. Mohamed was assigned to work for “**ETISALAT EGYPT**” as a “**Telecommunication Engineer – BSS Engineer**” in accordance with the service agreement between “**Top Business**” and “**ETISALAT EGYPT**”.

Mr. Mohamed has performed his duties, listed below, in a professional manner and we highly recommend him for any similar position.

- Installed and Integrated New Microwave and Pre-WiMAX Connections for High Value Customers and Wi-Fi Stations.
- Reported all Telecom activities done with local In-House Teams.
- Technical Support for Delta and Alex Regions in 3G Technology equipment, in terms of installation and integration problem solving.
- Performed installation, integration and commissioning of new and expansion 3G technology systems in Delta and Alex Regions.
- Worked on enhancing the SQI and quality assessment of In-House Teams involved in 3G technology activities.
- Self-Created configuration (XML) files for Huawei 3G Technology, required for integration and commissioning.
- Assess required upgrades in terms of hardware and software for 3G technology to enhance coverage and solve degradation problems.
- Test, report, and follow swap/repair of faulty hardware with vendors.
- Migrated Huawei 3G Sites from MPGRP to latest technology of Ethernet (Iub/IP).
- Performed Quality visits on Ericsson actions for assessing required enhancement on Microwave activities, including new links, link protections and XPIC configurations.
- Perform troubleshooting on Huawei 3G hardware and software to identify required enhancements for KPI problems.
- Report KPI degradation and other related telecommunications problem with proposed solutions.

This certificate is given to him upon his request with no responsibility against the company.
